REGIS VALET SMALL ROUND TRAY

\$685

DESCRIPTION

Part of the Regis Collection, this tray is a versatile and striking addition to a contemporary interior. The sleek silhouette is made of metal and combines a leather-upholstery bottom with bronze-finished metal edges highlighting the round silhouette of the piece. Used to serve hors d'oeuvres or as a display for collectibles, this will be a stunning object of functional decor that can be combined with the others in the same series. Other metal finishes available are chrome and brass.
