RENAISSANCE COFFEE TABLE

\$9,955

## DESCRIPTION

This superb coffee table is a work of art to display and cherish for generations. Its honeycomb structure is entirely covered with a series of inlays inspired by Renaissance motifs employing the trompe l'oeil technique, adding a mesmerizing flair to this bold piece. The marquetry is made up of pieces of precious woods, among which rosewood, walnut, ash, and beechwood. Showcased by a modern dining table or as an accent piece in an entryway, bedroom, or study, this will be an eye-catching addition to both classic and contemporary homes.
