La Lampada

RETRO TIFFANY SCONCE

\$350

DESCRIPTION

This exquisite sconce is part of the Retro collection, a series of light fixtures that can be combined to create a cohesive look that will suit a modern home, imbuing a mid-century flair to any room. Made of iron and aluminum, this lamp features an adjustable element connecting the round base with the shade and boasts a charming combination of brass and pale-blue finishes. Either in a study, kids' room, or bedroom, this piece will add a touch of color and charm to a room (E27 bulb not included).
