REVOLUTION COCKTAIL MIXER SET

\$550

DESCRIPTION

Ultimate cocktail mixer set (Carafe and stirrer and 2 Rocks and Martini Glasses) for minimalist design lovers This Cocktail Mixer is comprised of an elegant cocktail pitcher, a stainless steel strainer, and a stainless steel stirrer. The Cocktail Mixer Set was the first collaboration between Gentner Design and Fferrone. Wine, water, cocktails, and soup all appear to defy gravity with the floating effect of the hollow opposite side. The minimal design easily adapts to every occasion.
