## REVOLVING CABINET BY SHIRO KURAMATA

\$3,450

### DESCRIPTION

A masterpiece of contemporary design, this sculptural cabinet was originally designed in 1970 by Shiro Kuramata. Fashioned of glossy red methacrylate, it features 20 drawers that rotate around a vertical metal stand finished in a matte-black epoxy powder and resting on adjustable black plastic feet. Light and innovative, it will be a superlative addition to a personal collection.
