**RHODIUM SKIN RING**

\$260

## DESCRIPTION

A stunning statement piece for all ages and occasions, this sterling silver ring captures the scaly allure of a snake to create a singular work of art brimming with contemporary flair. Crafted using the ancient lost wax method, this piece features a solid band with a delicate crossed engraving adorned on top with four cylindrical pieces, reminiscent of the texture and look of a snake's scaly dorsal. The black rhodium plating enhances the fine details, for a lavish finishing touch that delicately captures the light.
