RICAMI BLUE AND GOLD PLATE

\$710

DESCRIPTION

This exquisite maiolica plate is part of the luxurious Ricami Collection, hinting at the delicate embroidery patterns that adorn its surface. Obtained using the traditional luster technique, the decoration is inspired by William Morris, one of the main representative artists of the British Arts and Crafts movement, and boasts deep gold and blue hues in floral and sinuous motifs that exude a sensual effect, creating a splendid piece that will enrich any decor.
