RICHARD III ARMCHAIR BY PHILIPPE STARCK

\$5,355

DESCRIPTION

Brimming with contemporary flair, this eye-catching armchair showcases a cutting-edge structure in rigid polyurethane. The support system is exquisitely original, featuring a single leg sustaining the back and a thin, single support for the front side. Its exclusive silhouette can be varnished with matte black (shown) or metallic silver glazes and will provide great comfort, ensured by the soft seat padded with polyurethane and Dacron and upholstered with black fabric. Other types of upholstery are available on request, please ask the Concierge for options.
