RIDDLED SIDEBOARD BY STEVEN HOLL

\$23,980

DESCRIPTION

Designed by Steven Holl, this captivating and stunning sideboard is a sculptural objet d'art, exquisitely crafted with meticulous attention to details. It comprises an aluminum frame enclosing five containers of different geometric shapes, equipped with opening doors with a magnetic system, and boasting a unique allure obtained with 2mm-thick layers of fine ebony wood accurately laser-cut and folded in an origami-like silhouette, thanks to the advanced technological techniques provided by Horm.
