RIGEL TABLE LAMP BY MASSIMILIANO RAGGI

\$3,220

DESCRIPTION

A mesmerizing addition to a nightstand, side table, or entryway console, this table lamp is a superb object of functional decor designed by Massimiliano Raggi. The metal base with bronze finish supports two glass spheres, one large in bronze and the other in opal white that functions as shade for the E27 60W LED bulb (included). This lamp has a 220V voltage, which can be changed upon request. This piece is CE certified.
