RILIEVO DINING TABLE BY ALDO ROSSI

\$12,880

DESCRIPTION

Inspired by the 19th-century antique partners desk, this monochromatic single-material marble table is reinterpreted as a dining table offering ample room with a long top and tapering, fluted legs that add expansiveness to this luxurious piece. In the picture, this exquisite table is shown in white Carrara marble, but it is also available in black Marquinia or Bardiglio Imperiale and can be further customized with marble top and wooden legs and structure. Please ask the concierge for details. Design by Aldo Rossi, in 1985.
