### RING TRIEDRO VENETIAN GLASS CHANDELIER #2

\$13,915

#### DESCRIPTION

Part of the Ring collection, this unique chandelier is inspired by the bold sophistication of the art deco style, with its rigorous silhouettes and complex textures. The metal structure consists in a top base that supports a circular, ring-shaped frame with a dark nickel finish. Above and below the ring stem striking Murano glass vertical elements, jagged and of different lengths, whose transparent glow diffuses the light of the sixteen 14E bulbs, creating a dazzling and fascinating effect.
