RIQUADRI BLUE AND LIME CASHMERE SHAWL/TAPESTRY/THROW

\$1,560

DESCRIPTION

A simple geometric pattern and a refined color combination go a long way to brightening up a sofa or bed, and this splendid piece of textile art can also be used as a shawl to bring warmth and comfort during cold days. Crafted of 100% cashmere with two alternating sections of lime and blue stripes, the dynamic geometric pattern is handwoven on an ancient olive loom in Puglia and finished with a "punto a giorno" technique.
