RITRATTI TALL CABINET

\$4,630

DESCRIPTION

Crafted of laminated plywood finished with glossy and matte resins, this remarkable two-door cabinet is characterized by sharp and uneven lines with metal legs. The front panels are decorated with linear perspective to create an illusion of depth: light blue and green with a matte finish and dark blue with a glossy finish. A contrasting rust color defines three sides highlighting the unique, geometric silhouette. This cabinet was designed by Marzia & Leonardo Dainelli in 2017.
