## RITRATTO ZIP CUSHION

\$980

### DESCRIPTION

A sophisticated accessory that adds a unique touch to a sofa, armchair, or bed, this decorative cushion is made of soft linen and depicts a border collie on a hand-dyed and hand-painted background of lilac and off-white irregular stripes. The delicate hues of the background bring out the print, entirely embroidered by hand in realistic details using a black and white palette. This cushion of the Ritratti Collection will be a statement piece in a traditional living room or guest room. Size and colors are customizable. The image can be personalized with one of customer's choice by providing a picture.
