RIVE SMALL BENCH

\$5,220

DESCRIPTION

Part of the Transparency Matters Collection, this striking bench is crafted of concrete, a combination of cement, stone, sand, and water, enriched with textural details obtained with a technique of sea salt corrosion. Boasting a sturdy silhouette marked by different geometric shapes, the left leg is a brass cylinder marked by a handmade golden finish. This piece is available in other sizes and is suitable for both indoor and outdoor use.
