### ROASTS AND COLD CUTS KNIFE WITH CORNOTECH HANDLE

\$200

#### DESCRIPTION

This elegant large knife was entirely made by hand and will be a precious addition to any kitchen and particularly ideal to cut roast meat and cold cuts. Its large and smooth blade is in stainless steel, while the handle is in durable lucite with a finish called cornotech that makes it appear like ox horn. The natural look of this material is further enhanced by the riveted surface of the handle, accented with three nails.
