ROCKING CHAIR

\$2,830

DESCRIPTION

This striking chair merges tradition and style with the highest standard of quality and the handmade craftsmanship that characterize Dale's furnishing products. The impressive construction features elegantly curved rockers on each side, connecting the legs to each other, and a generously sized backrest and seat mounted on a solid walnut frame with natural finish. Presented at Salone del Mobile during the 2018 edition of Milan Design Week, this rocking chair is completed with two pillows in off-white fabric that are available also in leather and eco-leather in customizable colors.
