Paolo Staccioli

ROCKING SCULPTURE

\$3,380

DESCRIPTION

Entirely made in ceramic with a glossy finish, this striking sculpture depicts the stylized figurines of a man and a woman in modern clothing that sit facing each other at opposite edges of a semi-circular element. Designed by Paolo Staccioli, this sculpture is a dynamic addition to a modern decor and, with its vivid colors and its exquisite depiction of the endless confrontation between two opposites, will make a strong statement in a living room or entry.
