ROLLING CHAISE LONGUE

\$6,470

DESCRIPTION

This refined object is an exercise in minimalist yet spectacular lines combining with the most customizable sitting experience. This chaise-longue finely showcases a slender, solid structure in a shaped, stainless steel with a brushed finish that is sustained by a free steel cylinder allowing to easily adjust the seat as desired. Enriched by only a headrest and cushion in polyurethane, this sculptural chaise-longue is customizable with colorful details in rubber and it is also transformable into a hammock by means of optional PVC accessories. For details please inquire with the Concierge.
