ROMA WRITING DESK 1937

\$24,190

DESCRIPTION

This sophisticated writing desk is the perfect accessory for any room, particularly an office or study. The desk features a solid maple briar-root wood structure, which can be accessed by either side, and comes complete with eight drawers with solid ebony handles. On one side this piece also features shelves for extra storage. The two bases are made in ebony macassar wood and the interior of the drawers are in maple wood. Designed by Antonio Berdondini, year 1937
