## ROMBI CHAIR

\$1,920

### DESCRIPTION

A modern take on a timeless favorite, the Rombo Chair channels traditional Parson flair and combines it with a galvanized, powder-coated forged-iron design that is perfect both indoors and outdoors. Elegant, comfortable, and durable, this chair's sinuous lines feature an ornate criss-crossed panel in the back and spherical ferrules that give a distinctive character to this attractive stackable design. The removable quick-dry seat and back cushions are upholstered in white Sunbrella® fabric that's UV-, water-, and mildew-resistant.
