ROMEO CENTERPIECE BY ANDREA PELLICANI

\$930

DESCRIPTION

This magnificent centerpiece was handcrafted by Sandro Da Boit of white glazed ceramic on an Andrea Pellicani's design. A dome-shaped base with a concave top supports a structure of alternating open and closed spaces recalling the architecture of the Arena di Verona, that is, together with Romeo and Juliet, symbol of the city of Verona. This superb, modern piece will make a statement in a modern or contemporary dining room.
