ROSA CANINA 3 MEDIUM DESK LAMP

\$1,000

DESCRIPTION

Part of the Rosa Canina series, which in Italian means wild rose, this desk lamp features a large white fabric shade supported by a structure in bronzed brass that can be extended depending on the customer's needs. The structure is made of three legs that cross and whose texture elegantly suggests the surface of a branch. Because of its modern shape paired with classic materials, this piece will be ideal in any decor.
