ROSE CON BOCCIOLI MOSAIC

\$8,640

DESCRIPTION

This sophisticated mosaic will be a magnificent addition to any home, particularly if classically furnished. The wooden frame, masterfully carved with floral decorations, wraps around a composition made of semi-precious stones that measures 30 x 40 cm. The absolute black of the background is a striking complement to the roses and buds gracing the center of the picture. An elegant and timeless decorative piece, this mosaic will stand out in any room in the house.
