DESCRIPTION

A kaleidoscope of patterns and colors dominates the composition of this exquisite ceramic artwork comprised of 9 square tiles measuring 30x30 cm. Entirely handcrafted of ceramics and decorated with enamels that are mixed according to the Vietri tradition, the classic floral motif is reinterpreted with modern flair in a chromatic scale that is elegant and versatile. The central flower-shaped element in blue, green and yellow, is framed by a yellow border with an intricate floral pattern whose colors are repeated in the delicate billowing pattern of the trim.
