ROSSO FICUS INDICA SET OF 4 TILES #5

\$110

DESCRIPTION

Crafted in the Sicilian majolica tradition, this ornate tile panel is distinguished for its bold colors and ornate dynamic motifs. fashioned using an innovative mixture of terracotta and ground volcanic stone, these handmade tiles boast a mirrored design with elegant scrolling in ivory that emerge from the vibrantly red background. These hand-painted tiles are entirely original in design, with individual variations serving as a testament to an entirely handmade production process.
