ROUND PINK QUARTZ SIDE TABLE

\$10,795

DESCRIPTION

This refined side table inspired by Greek mythology combines natural materials with a sophisticated silhouette for a striking appearance. The top is a round piece of cut Brazilian rose quartz, believed to be a gift from the god Eros to help attract love, and it is supported by a brass minimalist structure plated in nickel. Every component of this piece is made by hand and can be customized to fit the needs of any client. The finishing of the metal can be changed upon request, available in gold, almond gold, rutile, green gold, nickel, and chrome.
