ROUND RED AND BLUE RUG

\$7,910

DESCRIPTION

Evoking the subtle elegance of Piet Mondrian's abstract grid compositions, this rug is a remarkable union of Southeast Asian crafting traditions and Italian design aesthetic. An array of rectangles and circles of different colors overlap to reveal new colors and shapes, an exquisite design that will infuse any decor with timeless allure and elegance. A captivating dance of primary colors and basic forms, this piece features a vibrant color palette of bright blue, red, and white, enhancing its textural quality. Entirely customizable, please contact the concierge.
