ROUND RED AND BROWN RUG

\$7,910

DESCRIPTION

Inspired by De Stijl abstract compositions, this exceptional rug will infuse any decor with modernist elegance and timeless sophistication. Fashioned of high-quality wool and bamboo fibers in India and Tibet, this piece boasts alluring colors and basic forms: a muted color palette of gray, brown, black, white, and maroon colors and an array of rectangles, squares, and circles, intersecting to reveal new colors and shapes. The intricate design and color combinations enhance its unique textural dimension. Customization available, please contact the concierge
