ROUND TIFFANY DINING TABLE

\$7,050

DESCRIPTION

Crafted of solid wood with a cherry-veneered round top, the sturdy yet elegant profile of this dining table is defined by a dynamic interplay of forms. This classic design showcases a single architectural column masterfully handcrafted with vertical grooves raised on a square base that offers both grand visual appeal and functional space for comfortable seating. Designed to elevate the style of both classic and modern dining rooms, this table from the Tiffany Collection is available with a 200cm-diameter top (also in rosewood or black finishes), please ask the Concierge.
