## ROUNDED BALLET CHEST OF DRAWERS

\$41,365

### DESCRIPTION

A stunning work of art that will enrich the decor of any interior, the decoration of this chest of drawers is inspired by the joyous dynamism of dance, while performed in a traditional theater. Dominated by a mix of gold background and a black and white foreground, the one-of-a-kind scene depicted on the half-spherical front of this cabinet was hand-applied and finished with a glossy lacquer. The internal storage space is accessible through four drawers with brass handles. Other designs available are Venezia and Colosseo, please contact the Concierge for details.
