ROVINETTE PENCIL HOLDER

\$520

DESCRIPTION

This stunning piece of functional decor will enrich a modern desk in a study, thanks to its unique structural silhouette and the use of precious materials. Its base is in Botticino marble, with a texture featuring parallel grooves where pens and pencils can easily rest without sliding off. The piece is adorned with a half-circle of polished brass that is both poetic and functional, since it can be a perfect vertical support for business cards. This elegant piece is part of a collection that creates a post-modern, precious landscape.
