Memphis

ROYAL SOFA BY NATHALIE DU PASQUIER - MEMPHIS MILANO

\$11,500

DESCRIPTION

This eclectic masterpiece was designed by Nathalie Du Pasquier in collaboration with another Memphis design, George Sowden, who created the striking pattern of the cotton fabric upholstery of seat, back, and armrest cushions. The plastic laminate structure boasts an asymmetrical silhouette that does not compromise comfort and will offer relaxing times in a contemporary study or living room.
