### RUBY AND YELLOW DAMASK AMPHORA WITH SNAKE HANDLES

\$1,680

#### DESCRIPTION

This magnificent ceramic amphora is handcrafted following ancient techniques from Deruta, a small town near Perugia. Best showcased as a centerpiece on special occasions, this piece boasts handles shaped like coiled serpents which elegantly juxtapose the yellow damask pattern with red dots set against a dense background of tiny polka dots. Slight differences from the pictured item are a testament to the piece's exemplary handcrafted nature.
