## RUCHE VENEZIA GLASS AND WOOD LOW COFFEE TABLE

\$5,235

### DESCRIPTION

This exquisite piece is part of Ruche series of hexagonal coffee tables and it can stand alone or it can be combined with other tables from the same series. Its striking appearance is made of two layers of glass containing three sections of bricola, the durmast oak and oak wood poles that were placed in the Venice Lagoon for a thousand years to guide boats. Part of the Glass&Wood collection, this piece can be combined with other coffee tables in the collection for a striking effect.
