San Patrignano

RYAN'S DREAM MICRO-D WALLPAPER

\$180

DESCRIPTION

Solesempre is a line of products made by the community of San Patrignano in Italy; the largest, most successful drug rehabilitation center in the world. During a four-year program, residents are intensely trained within a metier of craft. Hand-painted, multi-layered wallpaper where design and techniques are inspired by historic research and a time-honored craft tradition. These naturalistically inspired wallpapers turn that around to achieve a fresh, modern, optimistic experience. Wallpapers are printed on high-quality fireproof paper. Entirely hand-screened, in 4-color palettes, this wallpaper is inspired by historic 18th-century pattern design with colors selected from American contemporary art. Designs are available in Micro and Macro dimensions. Entirely hand-screened, in 4-color palettes. Price is per linear meter. Please communicate the desired height to our Concierge. This is a charity project, 100% of profits will be devolved to the community of San Patrignano.
