**S4 COFFEE TABLE BY MASCIA MECCANI**

\$2,050

## DESCRIPTION

An enchanting use of colors, geometric lines, and volumes distinguishes this unique, non-reproducible coffee table part of the Saturno series. Made of a single white cylinder enclosed between two red ones and hand-painted with mixed media, the base is handcrafted of white terracotta. Mesmerizing, geometric decorations in the hues of red, white, and black adorn the square wooden top, which is finished in cherry and finished with plaster, sand, and non-toxic, water-based lacquers.
