## SABBION GLASS CHANDELIER

\$6,930

### DESCRIPTION

This magnificent Venetian glass chandelier is enriched with intricate details and aqua and ruby crystal accents that give it a jewel-like quality. Handcrafted in Rezzonico style, the six arms have a distinctive shape with overlapping layers that culminate in the round bobèche. Three impressive vertical elements extend from the stem to support an arrangement of leaves and yellow and blue glass flowers. A perfect balance of elements, this chandelier will enrich any decor with glamour, and is particularly suitable for classic interiors. Customization available for dimensions and colors.
