SACAI MODULAR GRAY AND BLUE SOFA

\$16,450

DESCRIPTION

A hypnotizing effect of juxtaposed cubes defines the artful style of this sofa, the modular design offered in multiple combinations. Padded with memory foam for an impeccably ergonomic seating experience, it features modules covered in velvety gray or blue fabric. All featuring upholstered bases, the different modules feature back or armrest attachments as well as basic resting units. The seat and armrests' height is 39 and 68cm respectively. Please ask the Concierge for other sizes.
