SAGE POLO CHARGING STATION WITH GREEN GUATEMALA MARBLE

\$940

DESCRIPTION

The perfect desktop accessory, this charging station can double up as a vide poche and is elegant enough to be displayed on a console in a foyer or on a bedroom dresser. The wooden rectangular frame has rounded corners and is covered in a stunning sage green leather with soft and velvety texture, accented with a border of green Guatemala marble. The wireless charger, integrated on the top inside a round shape, is Qi-certified and a USB type-A cord (2.5 m), a mobile charger with four plugs (2P Euro / BS / US / Australia-C) are also included. The leather is available in more than 200 colors.
