ZODIACO SAGITARIUS DESSERT PLATE

\$85

DESCRIPTION

Part of the Zodiaco collection presented at the Milan's Furniture Fair of 2017, this dessert plate honors Sagittarius and reproduce its astrological position in golden lines that also return in the golden band around the edges of each piece. The symbol of the sign is noted in bright red on the dish and is also vividly rendered in black and white, along with its name and months in Latin, in the figure of a galloping centaur in the act of shooting arrows.
