HOME DECOR : WALL & FLOOR DÉCOR : RUGS & CARPETS

*Mariantonia Urru*

SALVIA RUG

\$3,890

---

## DESCRIPTION

This rug will add a touch of color and freshness to any room in the home. The fine fabrics woven together to craft this piece feature a variety of hues ranging from grey to green. The final image is reminiscent of sage bushes blowing elegantly in the wind, the different shades of greens representing the delicate leaves swaying from side to side releasing more of the purifying scent with each motion. This tapestry will complement any decor.
