VENDEMMIA MURANO LARGE VASE

\$8,390

DESCRIPTION

Exquisite vase entirely handcrafted by the Muranese glass blowing masters Marco and Mattia Salvatore. The vase was blown when incandescent and then worked by hand in the furnace to apply the "murrine", the rounded designs visible on the body of the vase, and to create its particular texture. True passion for traditional Venetian glass blowing techniques gives life to this unique piece in vibrant orange and purple shades recalling the "vendemmia", that is, the grape harvest.
