SAN BIASIO CONSOLE

\$4,080

DESCRIPTION

Standing tall on four graceful saber legs, behind the simple design of this Venetian-inspired console lies impeccable craftsmanship and attention to detail that will make it a statement piece in any decor. The rectangular top has an undulated border that creates a visual flow with the looped head of the legs. Hand painted in the Venice-inspired colors, delicate blue flower decorations stand out on an off-white background with antiqued finish. This handmade piece is customizable with different colors and sizes upon request, please contact the concierge.
