SAN MARCO ROUND MINI TRAY #2

\$1,145

DESCRIPTION

With patterns that take inspiration from details found in suggestive corners of Venice, these printed leather trays are a celebration of the iconic city on water. Featuring different sizes and shapes, the Venezia collection combines historic legacy with modernity and is the expression of the artistic and cultural vivacity that marks the city's history. Decoration inspired by the rosette on the floor of the vestibule of the Marciana National Library in Venice. Only available as shown.
