## SAN PAOLO CHEST OF DRAWERS

\$3,320

### DESCRIPTION

Elegant and modern, this chest of drawers is a sophisticated piece of functional decor that will enrich a bedroom thanks to its simple silhouette and its striking texture. The whole piece is crafted in slatted wood with a walnut wood veneer that creates a one-of-a-kind natural decoration on all its surfaces. The front panels of the three drawers are made in antique durmast oak. The piece is available with a natural finish obtained with natural oil (as in the picture), or with a grey finish. Please ask the concierge for details.
