SAN ROMANO DUE SIDEBOARD BY MIMMO PALADINO

\$9,980

DESCRIPTION

This sideboard, crafted in MDF wood, is an original creation decorated with designs by Mimmo Paladino. It rests on four angled legs, two of which continue on the top of the piece, extending upwards. On the right top of the piece, a ceramic vase rests, with a black glaze and white numbers decorating its surface. The sideboard bears two doors that open up onto a spacious interior, which can be used to house various items. The exterior was given a white coat and it features black designs decorating its surface on the front and both sides.
