DESCRIPTION

Venetian style is the heart and soul of this magnificent vanity console characterized by sinuous curves and harmonious lines inspired by the architecture of the sumptuous palazzos in Venice. Decorated with gold motifs that celebrate the natural elements - butterflies, flowers, birds and plants - on a blue fresco-effect background, this vanity has a hinged tri-fold mirror with a fleur-de-lis motif frame (available also in antiqued mirror), a flip-front mirror on the top and two deep drawers with round knobs in the front. Customization available for size, color and decorative motifs.
