## DESCRIPTION

A contemporary interpretation of the traditional Moorish sculptures in Sicilian art, this vase is a harmonious combination of artisan craftsmanship and modern sensibility. Its sculptural volumes and naturalistic details of the man's face and decorations are exquisitely made by hand and finished with a matte oltremare blue hue, accented with a horizontal stripe in gold leaf to mark the eyes. This work of art can be used to display flowers or as one-of-a-kind sculpture in a contemporary or eclectic home.
